

光作室

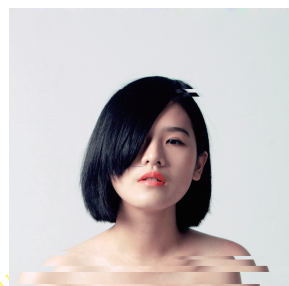

LIGHT STUDIO

說文曰：「光，明也。從火在人上，光明意也。」光就本義解釋乃泛指使空間明亮的能量。一個空間會因為燈飾的造型、擺設、光線強弱而產生氣氛，讓人可以在其中感到溫柔、平靜、放鬆。

我們是光的工作室，以十二個月代表花為主題，利用紙材與燈光發展系列情境燈，以燈開即花開的意象達到送禮自用兩相宜的創作。

"Light is the energy to illuminate the world. In Chinese character, 火(fire) is placed upon human beings, implies brightness." Generally speaking, light means the energy that can illuminate a space. Due to the difference between modeling, setting and the level of brightness, decoration light can make the atmosphere different. With a proper decoration light, people can feel warm, peaceful and relaxed.
