你當我是誰？ Who Am I?

你當我是什麼人？每一位角色都有屬於自己的性格特徵，不論大人小孩在這個世界上都是不可或缺重要的一角。我們必須好好扮演自己該有的角色與面貌，去面對世上發生的各種事件，活出自我特色，對著他人自信的說出——你當我是什麼人阿？

Each character has his/her unique personality. Both adults and children play the crucial part in this world. We have to try our best to fulfil our responsibilities, to face the challenges, to make your own life and have confidence in yourself.

性格製造機與卡牌 Personality Making Machine and Cards

遊戲主要分成兩種進行方式。其一，從性格製造機抽選出自己角色的性格與興趣來進行遊戲；其二，抽取卡牌解決每一天遊戲世界裡所發生的各種狀況。角色性格與興趣將會影響遊戲中的進行，增添了趣味與耐玩度。

There're two methods for playing: One is to start the game by randomly picking up one card from the personality making machine to decide your character, personality and interests. The other is to pick up the incident card every day. In the card, it will give you the mission and you need to figure out the way to complete the mission. The character's personality and interests will influence the process of the game. And that's what makes this game interesting and fun.
